🌐 English, B1 (in progress)

🌐 Russian, native

ABOUT ME

Hi! I'm frontend developer with experience about 1 year in creating SPA using React, Redux, TypeScript. Knowledge in user interface, testing, and debugging processes. I improving my skills in this direction and plan to expand them with newtechnologies, such as React Native. I usually spend my free time reading IT-literature, doing sports and improving my English. Open to your suggestions.

WORK EXPERIENCE

06.2022 - PRESENT
